

VETERINARY SURGEON

We are looking for a full or part-time small animal vet to join our experienced and welcoming team of vets.

The role will likely involve some weekend work, but may or may not involve OOH work depending on the applicant's preferences.

Full-time hours are 4 and a half days a week, 1 in 3 Saturday mornings and an equal share of the 1 in 10 on-call rota. Part-time hours are scaled down from here accordingly.

As well as the facilities you see on our website, we also have a visiting MRI unit once a month.

We pride ourselves on being an independent practice for the local community, which we have been a part of for over 100 years. It is very important to us that the applicants understand the important relationship between us and our clients, and how despite our size and how much we have grown, we are here for the owners and their animals as much as we have always been.

Please send any CVs to chris.murphy@donaldsonsvets.co.uk or phone [01484 508708](tel:01484508708) for an informal chat
